

# UCSC CONFERENCE SERVICES

## *General Conference Information*

**Location** UCSC is located at the north end of Monterey Bay, seventy-five miles south of San Francisco, and thirty miles from San Jose. The campus occupies approximately 2000 acres on a hill overlooking the Monterey Bay and the city of Santa Cruz, and features ten colleges, each with its own characteristics and academic core courses. See <http://maps.ucsc.edu> (Campus Directions) for maps and directions.

**Weather** Santa Cruz summer weather is usually mild with temperatures ranging from 60-80°F during the daytime to 55-60°F at night. Morning and evening fog can keep temperatures cool so a jacket or heavy sweater is recommended. Rainfall occurs between November and April although June showers and heavy rain-like fog are not unknown.

**Accommodations** Adult conferences are housed in student apartments, with a maximum of 4-6 persons to an apartment. Shared accommodations include a bathroom (some areas have two bathrooms), kitchen, dining area and living room. Towels, bed linens (changed weekly) and a bedside lamp are provided. The refrigerator is left operational, but stoves are disabled during the summer season. Guests requiring special accommodation should inform their conference director well in advance, as most apartment buildings do not have elevators or specially equipped bathrooms and may have several stories. The common areas receive custodial services twice weekly. Apartments and res halls do not have air conditioning. Please be advised that housing does not include hotel-style amenities.

Youth programs (18 & under) are housed in residential halls (dorms), typically two-three per bedroom. Floors are gender specific with a common bathroom on each floor. UCSC requires a 1:10 staff to youth ratio in the residence halls. Most youth programs do not include bed or bath linens (or pillows). Common areas are serviced periodically.

### **Linens**

Youth groups generally provide their own bed linens or sleeping bags, towels and pillows – check with your conference director for details. Bed, bath linens, & pillows are provided for most apartment conferees (see Accommodations above).

**Luggage** Guests should be aware that they may be dropped off, picked up, or required to park their vehicles some distance from the apartments and plan accordingly. Assistance is not available and most buildings do not have elevators.

**Telephone** **There are no telephone connections in residential spaces** with the exception of handicapped accessible rooms/apartments. There are campus phones in each res hall and periodically in the apartment areas. Long distance calls require a credit card or phone card (phone cards are not available for purchase on campus). Some, but not all, cellular telephones function on the campus. Please check with your carrier to verify coverage.

White or black courtesy phones are located throughout the college areas providing free campus-only calls (459- and 502-numbers). In addition there are several “blue light” phones at various locations for emergency calls directed to campus police (<http://emergency.ucsc.edu/bluelight>).

**Internet** There is a complimentary ethernet connection in the bedrooms of both apartments and res halls. Please visit the UCSC website prior to arrival for configuration information (<http://www2.ucsc.edu/resnet>). Wireless access is available in res halls; ethernet only in apartments (remember to bring an ethernet cord). The Conference Offices (West, East, and Central offices) also offer complimentary limited email access for conference guests.

**Laundry** Laundry machines are located in alternate resident halls and each apartment complex. Please inquire in your Conference Office as to location and operation. Most laundry machines operate with an access card that is available from the Conference Office. Cards cost \$5.00 and can be loaded with cash or credit card.

Daily commuters may purchase permits at the Conference Office with cash or check or at the main campus entrance kiosk (one day permits only at the entrance kiosk).
